### Look at what God Has Done during Covid-19:

I first want to thank all the members and friends of Covenant for their faithful giving. God has blessed us with all we needed and more. I also want to thank God for our online ministry which began at the end of March 2020 and has become an effective tool for Covenant to spread

the word and share our ministries with the community. We are being heard from New York to Texas and the online giving is beginning to reap benefits for the church too. This all because of our faith in God and his spirit to guide us into the future.

### Church covid-19 status:

As we begin 2021, we will remain with reduced attendance and only those who are part of the morning service should attend at this time. As the case count gets lower, we will begin to reopen the church doors again.

### Some changes coming in 2021:

Of the Sheriff's Community Office in Fishertown within the next few months. We will be planning a reopening celebration. The Covenant Food Bank will be getting a face lift and reorganized as well.

**As we move into 2021, we look forward to a wonderful and blessed 2021 guided by the Holy Spirit.**
